**GenScript USA Inc.** is an internationally recognized contract research organization (CRO). We are specialized in providing customized solutions and pioneering products aiming for cost-effective and efficient biological research and drug discovery.

GenScript's service portfolio includes bio-reagent services, assay development & screening, lead optimization, and antibody drug development. Our renowned One-stop bio-reagent services encompass custom gene synthesis and molecular biology, custom protein expression and purification, custom peptide synthesis, antibody production, and custom cell line development. Over the years, GenScript has established many innovative technology platforms and research products including Optimum Gene™ codon optimization, CloneEZ® kit, ONE-HOUR Western™ Kits, and THE™ Epitope Tag Antibodies.

With a global customer base ranging from academic and government research institutions to pharmaceutical and biotech companies, GenScript shares with you not only a goal-alignment business relationship but also a mission to save people's lives by accelerating human disease research and drug discovery.

### To place an order, you may:

1. If ordering by purchase order, fax your official PO along with this page to 732-210-0262
2. If ordering by credit card\*, fill info below and fax the form back: Visa card / Master card / American Express  
CC No.: \_\_\_\_\_ Card Holder Name: \_\_\_\_\_  
Exp. Date: \_\_\_\_\_ Security Code: \_\_\_\_\_  
\* Please check with our customer service for our conditions for accepting credit cards.
3. For purchasing agent, please go to the [payment center](#) to place your order.
4. For peptides or catalog products, you may also visit [www.genscript.com](http://www.genscript.com) to log into your account and place your order on-line.
5. If there are more questions, call our customer service at 732-885-9188 or 877-436-7274.

**Comments:**

This is only for reference, not an order confirmation. All payments must be made in United States dollars. This quotation may not include incidental charges, such as shipping and tax. No sales tax is charged for all international orders. The total charge will be determined at the time the order is placed. The turnaround time may vary depending on the size and complexity of the project.

**DISCLAIMER for International Orders**

Duties and Taxes: Import duties, taxes, and brokerage fees are separate from shipping and handling costs and are not included in the custom service or catalog product price. Import duties, taxes, and brokerage fees will be collected from the freight carrier upon delivery for certain packages. These charges are the package recipient's responsibility as GenScript only charges the transportation fee for the packages. You may check with your country's customs office to determine what these additional costs will be.

Notes:

---

**STANDARD SERVICE AGREEMENT**

1. **General.** GenScript USA Inc. and its subsidiaries and affiliates (individually and collectively “GenScript”) are providing custom or contract research services in life sciences industry. This Standard Service Agreement and any schedule(s), attachment(s) and exhibit(s) agreed and executed by GenScript and service purchaser (“Service Agreement”) shall govern the provision of all custom/contract research services (“Services”) by GenScript to service purchaser. Service purchaser is hereby referred to as “Client.” GenScript and Client are hereby collectively referred to as “Parties.”
2. **Service Agreement.** Unless acknowledged and signed by GenScript in writing, any additions or alterations by Client shall not bind GenScript. GenScript’s failure to object to any amendments, alterations, additions or proposals contained in any work order or other form or document from Client shall not be construed as a waiver of the Service Agreement nor an acceptance of any such amendments, alterations, additions or proposals.
3. **Scope of Work.** A detailed scope of work (“Scope”) shall be provided by Client and attached hereto as schedule A. The scope of work shall specify the details of the work, the design, information desired, data and materials to be provided by Client, required completion time and all other matters relating to the completion of the Agreement. Client shall be deemed to assent to the terms of the Service Agreement by submitting the Scope. The submission of Scope shall be deemed as an offer by Client. The acceptance occurs upon the execution and acknowledgement of the Scope by GenScript in writing.
4. **Changes of Scope/Services.** Changes to the Scope or Services must be agreed upon and authorized by representatives of GenScript and Client in writing. If such changes result in an increase in the cost and labor of the Services or affect the projected date of completion of the Services (or portions thereof), the compensation for the Services and/or completion date(s) shall be adjusted to a degree commensurate with such changes agreed upon by GenScript and Client in writing. Cancellation of Services in progress will result in a partial charge commensurate with the percentage of work completed at the time of cancellation, in addition to any approved expenses beyond recall at the time of termination, which incurred prior to termination, and any other actual costs and charges incurred due to the early termination. GenScript has the right to terminate the Service Agreement without any liability to Client if no agreement could be reached regarding the changes and adjustment of compensation and costs by GenScript and Client in writing.
5. **Compensation and Payments.** The Client shall pay GenScript for the Services within thirty (30) days from the date of the invoice(s), or, if applicable, according to the compensation rate and payment schedule as set forth in quotation attached as schedule B.. Invoices shall be sent to Client upon completion of the Services and delivery of the applicable Deliverable(s) to Client, or, according to the schedule B. If Client defaults in any payment when due, GenScript, at its option and without prejudice to its other lawful remedies, may delay performance, defer delivery, charge higher interest rate to the maximum amount allowed by law on undisputed amounts owed, and/or terminate the Services Service Agreement. All payments due hereunder shall be made in the currency specified by GenScript in writing in the Invoice.
6. **Taxes and Other Charges.** Unless Parties agree in writing, Client will be responsible for any use tax, sales tax, excise tax, custom duty, inspection or testing fee, or any other taxes, fees, duties or charges imposed by any governmental authority, relating to or measured by the transaction, in addition to the prices quoted or invoiced in the Service Agreement. If GenScript is required to pay any such taxes, custom duties, fees or charges, Client shall reimburse GenScript thereof or provide GenScript an exemption certificate or other document acceptable to the authority imposing the taxes, duties, fees, or charges at the time the order is placed.
7. **Materials and Information.** Client will provide GenScript with sufficient amount of its information and materials such as cells, compounds, samples, or other substances needed to complete the Services (“Client Materials”), as well as comprehensive data or or communications, failure of suppliers or subcontractors, or
15. **Additional Notes for Customer Services.** GenScript information concerning the stability, storage and safety requirements of such Client Materials needed by GenScript to complete the Services. GenScript will use Client Materials in accordance with the Service Agreement and only in the execution of Services for the benefit of the Client. Unless otherwise requested by the Client, upon completion of the Services any remaining Client Materials will be destroyed. GenScript will not transfer or provide Client Materials, in whole or in part, to any third party, other than a subcontractor, without the Client’s prior written approval.
8. **Work Product.** Client shall be the exclusive owner of and shall be in titled to all documentation, information, records, raw data, protocols, specimens or other work product supplied by Client and/or generated by GenScript as a direct result of execution of the Services (“Work Product”). GenScript’s method(s) or process (es) used in the execution of Services, laboratory notebooks or other records maintained with respect to the Services will be owned by GenScript. Upon completion of the Services GenScript will archive the work product for a period of one (1) year. The Work Product will be disposed and destroyed one (1) year after the completion of Services.
9. **Confidentiality.** GenScript will treat all Data as proprietary and confidential and will not disclose the same to any person except its employees, consultants, and subcontractors to whom it is necessary to disclose the Data for purposes of providing the Services. If the disclosure is requested in any legal proceedings, GenScript will notify Client promptly prior to any disclosure to permit Client to oppose such disclosure by appropriate action. Client agrees to reimburse out-of-pocket costs and reasonable attorney’s fees if GenScript is obligated to testify or produce documents in any legal or administrative proceedings regarding the Services.
10. **Limited Warranty, Breach and Remedy.** The Service Agreement is a contract for Services only. GenScript’s sole warranty with respect to the Services is that GenScript will perform the Services in accordance with the standard of performance set forth above. Client shall notify GenScript in writing of any claim for a breach of such warranty within one (1) month after delivery by GenScript of the final Deliverable relating to such Services. The sole remedy to Client for breach of such warranty shall be to require GenScript to re-perform the Services.
11. **Limitation of Liability.** TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL GENSCRIPT (OR ITS SUBSIDIARIES, AFFILIATES, SUBCONTRACTORS, OFFICERS, DIRECTORS, EMPLOYEES, OR AGENTS) BE LIABLE UNDER ANY LEGAL THEORY AS A RESULT OF GENSCRIPT’S PERFORMANCE OF THE SERVICES FOR ANY INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL, OR EXEMPLARY DAMAGES, INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF BUSINESS, LOSS OF PROFITS, LOSS OF CUSTOMERS, CLIENT OR GOODWILL.
12. **Indemnification.** Client shall indemnify and hold harmless GenScript, its subsidiaries and affiliates, and their respective officers, directors, employees, and agents from and against any and all expenses, damages, costs, judgments, and losses arising from any Client’s product or service based in whole or in part on Deliverables delivered hereunder or any portion thereof.
13. **Termination.** GenScript may terminate the Service Agreement in the event that Client breaches or fails to comply with any material provision of the Service Agreement, and fails to remedy the breach or failure to the satisfaction of GenScript within fifteen (15) days of receiving written notice where the breach or failure is capable of being remedied.
14. **Force Majeure.** Except with respect to the obligation to make payment, neither GenScript nor Client shall be responsible for failure or delay in performance of its obligations related to the Services due to causes beyond its reasonable control, including but not limited to, acts of God, governmental actions, fire, labor difficulty, shortages, civil disturbances, transportation problems, interruptions of power  
natural disasters.  
provides clients with free consulting services including, but not

limited to, design and digital assembly of sequence, choice of vector and cloning site, antigen sequence design, and help on choice of service packages. Client shall acknowledge and agree that these additional services are provided free of charge and are provided for informational purposes only. Client shall acknowledge that GenScript does not warrant or represent the accuracy or applicability of suggestions provided by GenScript

customer service representatives as part of the free consulting services. Client shall agree that it remains Client's responsibility to evaluate such suggestions before adopting them. **Finally, by placing an order with GenScript, Client will be deemed to have read, understood, and agreed to the above Service Agreement**

## Gene Service: GenEZ ORF Clone: From **\$99/clone**, Mutant Clone from **\$149/clone**

GenEZ™ ORF Clones makes it easy to order customized expression - ready ORF clones from the world's largest commercial ORF

- >2 million ORFs from 186 different species including Mammals, Plants, Vertebrates Invertebrates and Fungi
- 40,000 Human, Mouse, and Rat ORFs *in-stock*
- Over 100 popular commercial vectors to choose from, including mammalian, eukaryotic, and bacterial expression vectors.
- Over 100% sequence-perfect clones delivered with chromatograms.
- **10 µg** of plasmid DNA to use directly in your experiments with no need for transformation & plasmid prep.
- [Search for your ORF now.](#)

For more details, please visit [http://www.genscript.com/GenEZ\\_ORF\\_cloning.html](http://www.genscript.com/GenEZ_ORF_cloning.html)

## Peptide Service: Take advantage of our offers!

25% off to all standard custom peptide (SC1208) orders online

Price match guarantee

- Found a less expensive peptide synthesis option? Send us your quote and we will **match the lowest competitor quote** – guaranteed.

Free Solubility Testing

- Receive a **free solubility test report** with your custom peptide order!

For more information on terms and conditions for these promotions, visit

[http://www.genscript.com/peptide\\_promotion.html](http://www.genscript.com/peptide_promotion.html)

## Protein Service: Guaranteed protein amount & purity plus exclusive price match offer

- Promotion is valid only for the BacPower™ guaranteed bacterial protein expression packages
- A qualifying competitor quote, as determined by the GenScript Technical Account Manager (TAM), for a comparable service, must be provided to place an order
- Competitor quote must have been generated on or after July 1, 2014
- Competitor quote must be emailed to the GenScript TAM at **protein@genscript.com** with the subject line "Protein service price match offer"
- GenScript reserves the right to discontinue this promotion at any time

For more details, please visit <http://www.genscript.com/bacpower-guaranteed-price-match.html>

## Antibody Service: Fast and reliable monoclonal antibody services

### MonoExpress™ mAb Services - Application-Guaranteed mAb Production

Starting from target protein sequence to purified mAb

- **Application-guaranteed:** MonoExpress™ Premium guarantees at least one clone will work in your own experimental system
- Includes **protein antigen** production
- Delivered 4 weeks faster than any other vendor

-MonoExpress™ Premium lets **you pick the clone that works in your experimental system.**

If you don't find a successful clone in the first delivery of 10 ELISA-(+) supernatants, no problem, we'll

send you another 10.

Choose the one that performs best and we'll deliver your application-positive hybridoma cell line and purified Ab. It's our guarantee.

For more details, please visit <http://www.genscript.com/fast-custom-monoclonal-antibody-production-services.html>

### Product Free Sample Offering

For more details, please visit [http://www.genscript.com/free\\_samples.html](http://www.genscript.com/free_samples.html)

Cat. No.	Product Name	Sample Size
A00186S	THE™ His Tag Antibody,mAb,Mouse	10 µg
A01795S	THE™ PEG Antibody, mAb, Mouse	10 µg
E00043S	Green Taq DNA Polymerase	50 U
M42012S	ExpressPlus™ PAGE Gels, 10×8, 4-20%, 12 wells	2 gels
M42012LS	ExpressPlus™ PAGE Gels, 10×10, 4-20%, 12 wells	2 gels
M00516S	PAGE-MASTER Protein Standard (for SDS-PAGE)	50 µl
M105S-125	Ready-to-Use™ Plus 100 bp DNA Ladder	125 µl (25 rxns)
